PROFESSIONAL SUMMARY

Results-driven Frontend Developer with a B.Sc. in Computer Science & Informatics, specializing in building responsive, scalable, user-focused web applications using React.js, Next.js, JavaScript, TypeScript, and TailwindCSS in Agile environments. A fast learner, quick to adapt to new tools and technology.

TECHNICAL SKILLS

- **Frontend:** React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3.
- **Styling & UI:** TailwindCSS, SCSS, Bootstrap, Material-UI, Chakra-UI, Shadcn/ui, CSS Modules, Framer Motion, Three.js, Figma to code, Responsive Design.
- **State & Data:** Zustand, Context API, React Hook Form, Zod, react-toastify, Axios, REST APIs.
- **BaaS, Database & ORM:** Supabase, Firebase, PostgreSQL, Prisma.
- **Backend:** Python (basic), Nest.js(basic).
- **Methodologies:** Agile/Scrum.
- **Cloud Platforms:** Vercel, Netlify.
- **CI/CD Pipelines:** Github Actions.
- **Testing & Quality:** Jest, React Testing Library (RTL).
- **Version Control System:** Git.
- **Performance & Monitoring:** Sentry.

WORK EXPERIENCE

AFRITECH DIGITAL HUB - Abuja, Nigeria (Remote)

Frontend Developer (Next.js) | Oct. 2025 – May 2026

- Translated Figma designs for the student Dashboard, Student Profile, platform settings, and chat modules into pixel-perfect interfaces using Next.js, TypeScript, and TailwindCSS, ensuring design accuracy and consistency in collaboration with UI designers.
- Integrated endpoints across the student portal, enabling dynamic real-time data rendering and improving application functionality and user interaction through close collaboration with backend developers.
- Optimized rendering strategies and applied Next.js best practices to improve the scalability and performance of the parent portal, resulting in faster page load times and a smoother user experience.
- Collaborated with 3+ frontend developers using Git and GitHub for version control, code reviews, and team collaboration, contributing to the efficient delivery of responsive and maintainable UI components.
- Built a reusable chat component using React state management and props, reducing code duplication and enabling consistent chat functionality across multiple pages.
- Resolved Git merge conflicts and maintained clean version control workflows, improving development efficiency, team collaboration, and codebase stability.

NATIONAL YOUTH SERVICE CORPS (NYSC) - Nigeria

Computer Science Instructor (Corps member) | April 2024 - March 2025

- Taught 30+ students programming fundamentals, web development, and digital literacy, achieving a 95% course completion rate through structured, learning sessions.
- Collaborated with 6 corps members to design and deliver 3 ICT curricula for Scratch programming workshops, impacting 60+ learners through project-based modules.
- Executed digital literacy programs introducing ICT tools to 100+ underserved individuals, helping bridge the digital divide.

STUTERN - Lagos, Nigeria (Remote)

Frontend Developer Intern | Sep. 2022 - Aug. 2023

- Built 5+ responsive web applications using HTML, CSS, JavaScript, and React.js, improving usability across mobile and desktop platforms.
- Translated Figma designs into pixel-perfect, responsive UI components using React and CSS, while collaborating with designers and backend developers under mentorship to deliver scalable features for a loan management application.
- Integrated APIs for dynamic features (filtering, search, real-time data) in applications such as a Star Wars movie app and profile search app.
- Implemented form validation and data submissions to backend API using Axios in React applications.
- Built a task manager application with full CRUD functionality using JavaScript and localStorage for persistent data storage.
- Used Git and GitHub for version control and collaborative development within frontend team.
- Debugged and resolved frontend issues, improving application stability and user experience.

Relevant Projects: Loan Wise, Star War Movies App, Profile Search App, React Contact Form, Task Manager App .

ICT CENTER, FEDERAL UNIVERSITY OTUOKE - Bayelsa, Nigeria

ICT Intern (SIWES) | Dec. 2020 - April 2021

- Built 2 responsive web pages (Baby Zoo Quiz, Web3 Contact Form) using HTML, CSS, and JavaScript as part of structured Web Development training.
- Managed data entry and registration for 50+ student ID cards and 500+ JAMB candidates using the university MIS and JAMB e-Facility/CAPS, ensuring data accuracy and eliminating duplicate records.
- Supported ICT operations including software installation, system maintenance, and basic network configuration, improving system reliability.

EDUCATION

B.Sc. Computer Science and Informatics

Federal University Otuoke Bayelsa State, Nigeria | Nov. 2018 - Dec 2023

Second Class (Upper division)

PROJECTS

TROVICA - Agency Business Website

https://trovica.netlify.app - Framer Motion, React, and TailwindCSS.

- Built a modern agency website to showcase their digital solutions, increase online business visibility, and improve customer engagement. It features smooth navigation, responsive layouts, and a conversion-focused design to attract and retain clients.

SHORTLY - URL Shortening Landing page

https://shortly-pi-coral.vercel.app - React, TypeScript, TailwindCSS.

- Developed a responsive landing page that allows users to shorten long URLs, instantly copy shortened links, and retain shortened URLs across page reloads. It provides a smooth and efficient user experience with LocalStorage persistence, form validation, and error handling.

COUNTRIES EXPLORER - Detailed Country Information App

https://countries-explorer-byoge.vercel.app - React.js, Material UI.

- Built a responsive web application that allows users to search for any country, filter countries by continent, and view detailed information about each country with a dark mode toggle. It provides a clean, intuitive interface for quickly accessing global data.

LICENSES & CERTIFICATIONS

- **NYSC** - Certificate of National Service | [View Certificate]
- **Udemy** - Introduction to Software Engineering and Software Design | [View Certificate]
- **Stutern** - Frontend Development Certificate - [View Certificate]

SOFT SKILLS

- Effective Communication & Teamwork
- Excellent Problem Solving & analytical skills
- Attention to Detail
- Time Management
- Adaptability
